Counsel,

The Court noted that the parties raised in their Case Readiness Status Reports regarding motion to dismiss and jurisdictional discovery. The Court directs the parties to conduct jurisdictional discovery according to its November 19, 2020 "Standing Order Regarding Venue and Jurisdictional Discovery Limits for Patent Cases." And the Court will address the motion to dismiss after the briefings are completed. Since there is no other pre-Markman issues, the Court will not hold a CMC for these cases.

Please file a joint proposed scheduling order based on the latest OGP (version 3.2) using the following dates:

1. CMC: Deemed to have occurred on 2/22/2021
2. Markman hearing: 8/17/2021 at 9:30 AM (1.5 hours)
3. Estimated trial date: 9/12/2022

To the extent that the parties would like to move the trial date (to an earlier or later date), please feel free to raise that at the Markman hearing.

Please let me know if you have any questions. Thanks.

-Jun
